# Georgia College Transfer Tools for
ADVISING & RECRUITING

We provide college credit transfer tools for Georgia's students, parents, high school counselors and college advisors:

COLLEGE CREDIT TRANSFER TOOL:
Located at the GAfutures website, this tool allows students to enter their college course history and explore transfer opportunities to Georgia institutions (requires a GAfutures login). Currently, the University System of Georgia and Technical College System of Georgia institutions participate in the tool.

EXAM TO COLLEGE CREDIT TOOL:
Located at the GaTranser.org website, this tool allows students to see which Georgia institutions accept exam scores for college credit.

ADVISE AND RECRUIT TRANSFER STUDENTS

Institutions provide their college credit transfer data to GaTransfer for...

...the **College Credit Transfer tool** for students looking for transfer opportunities, and...

...use the **Data Insights Reporting tool** to analyze data from the **College Credit Transfer tool** to recruit transfer students.

Institutions also provide data for the **Exam to College Course tool** for students looking for exam score credit.

DATA INSIGHTS REPORTING TOOL:
Georgia institutions use the Insights tool to access data from the College Credit Transfer tool for analytical and recruiting purposes. The data contains course equivalent information as well as information about students interested in transferring to their institutions.
